

BY AMELIA OF LOUISVILLE, KENTUCKY.

From the New-Yorker.

FROM THE FRENCH OF VICTOR COUSIN.

Sensualism finds great difficulty with the idea of Cause. Kapila also has endeavored to destroy it, and, in the history of Philosophy, his argument is the antecedent of that of *Ænesidemus* and Hume. He says there is no proper notion of cause, and that what we call cause, is only apparently so, relatively to the effect, and is itself an effect, relatively to the
